Save money on your energy bills and improve the comfort of your home.

Potomac Edison is helping its residential customers discover new ways to save energy and improve the comfort of their homes with a **Quick Home Energy Checkup**. This program is available to you at no additional cost* and is designed to help you reduce energy by making simple changes.

Get Started Today!

When you schedule a Quick Home Energy Checkup, an energy expert will walk through your home, evaluate its energy efficiency and provide recommendations for improvements that could save you energy and money. While at your home, the energy expert will discuss other energy efficiency programs available to you and install energy-saving products including:

- Up to 14 LED bulbs
- Bathroom faucet aerators
- Kitchen faucet aerators
- Electric water heater pipe insulation
- Water-saving showerheads

This program is available to you at **no additional fee***.

To find a participating contractor, visit energysaveMD-home.com/contractor.

Select a contractor and request your appointment today at energysaveMD-home.com or if you have questions, call **1-888-267-4685**.

*The Quick Home Energy Checkup is administered in support of the EmPOWER Maryland Energy Efficiency Act. Costs are recovered through the monthly EmPOWER Maryland surcharge on customer bills.

Contractors who perform work under this program are not affiliated with Potomac Edison and Potomac Edison makes no promise, warranty or representation regarding work performed by such contractors.
