*Discounts are brought to you by Potomac Edison - MD in support of EmPOWER Maryland. **Source: energystar.gov

Appliance instant discounts are valid on qualified in-store purchases only between May 1, 2024 and December 31, 2026 at participating retailers in the Potomac Edison service territory. HVAC discounts are available to Maryland residential customers of Potomac Edison on qualified products purchased through and installed by a participating HVAC contractor between April 1, 2024 and December 31, 2026. Additional terms and conditions apply. See energysaveMD-home.com for details. EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to energysaveMD.com. By participating in energy efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights which refers to the demand reduction associated with any energy efficiency and peak demand reduction measures for which incentives were provided by the Company. Potomac Edison, their parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of any contractor.

Why work with a participating contractor?

Licensed Experts

Participating contractors are licensed experts who know how to size, install and maintain ENERGY STAR certified high-efficiency equipment for the best performance.

Save Twice

When you purchase ENERGY STAR certified HVAC equipment from a participating contractor you'll save twice! First save with discounts on the purchase price, and then save on energy costs for years to come.

Nearly **half of the average home's annual energy bill** goes to heating and cooling.*
Lower your energy costs and save with discounts on new ENERGY STAR certified high-efficiency HVAC equipment.
